

# Dream Street, Feel The Rain

Feel the rain falling down on me  
I call your name, I miss you, can't you see?  
I'll take the blame, we should never be apart  
Tell me what can i do to get you back into my heart?

To make a mistake is only human  
And now i've learned my lesson , that's for sure  
'Cause i never thought that you would say goodbye  
And love would walk out the door

Why did i look in a different direction?  
When you were right here with me all the time  
When your heart was cryin' out for affection  
I guess that I was blind, now baby I....

Feel the rain falling down on me  
I call your name, I miss you, can't you see?  
I'll take the blame, we should never be apart  
Tell me what can i do to get you back into my heart?

Your shadow of love is still beside me  
When I close my eyes your face is all i see  
But i don't intend to spend my whole life dreaming  
I need you right here with me

I was so wrong taking your love for granted  
I couldn't see how i hurt you inside  
Now i know you're all that i ever wanted  
Can't get you off my mind, and that's why I....

Feel the rain falling down on me  
I call your name, I miss you, can't you see?  
I'll take the blame, we should never be apart  
Tell me what can I do to get you back into my heart?

(Back into my heart) feel the rain  
(Back into my heart) oh oh oh.....

Why did I look in a different direction?  
When you were right here with me all the time  
When your heart was crying out for affection  
I guess that I was blind, now baby I....

Feel the rain falling down on me  
I call your name, I miss you, can't you see?  
I'll take the blame, we should never be apart  
Tell me what can I do to get you back into my heart  
(Feel the rain) falling down on me  
I call your name (I call your name) I miss you, can't you see?  
I'll take the blame (oh oh oh oh....) we should never be apart  
Tell me what can i do to get you..... (I want you back with me)  
Tell me what can i do to get you..... (I need you, can't you see?)  
Tell me what can i do to get you back into my heart?
