

# Dream Street, Feel The Rain (Live Version)

(lead vocals by Chris and Greg)

Feel the rain falling down on me  
I call your name, I miss you, can't you see  
I'll take the blame, we should never be apart  
Tell me what can I do to get you back into my heart

To make a mistake is only human  
And now I've learned my lesson, that's for sure  
'Cause I never thought that you would say goodbye  
And love would walk out the door

Why did I look in a different direction?  
When you were right here with me all the time  
When your heart was crying out for affection  
I guess that I was blind, now baby I...

Feel the rain falling down on me  
I call your name, I miss you, can't you see  
I'll take the blame, we should never be apart  
Tell me what can I do to get you back into my heart

Your shadow of love is still beside me  
When I close my eyes your face is all I see  
But I don't intend to spend my whole life dreaming  
I need you right here with me

I was so wrong taking your love for granted  
I couldn't see how I hurt you inside  
Now I know you're all that I ever wanted  
Can't get you off my mind, and that's why I...

Feel the rain falling down on me  
I call your name, I miss you, can't you see  
I'll take the blame, we should never be apart  
Tell me what can I do to get you back into my heart

(Back into my heart) Feel the rain  
(Back into my heart) Oh oh oh...  
Why did I look in a different direction?  
When you were right here with me all the time  
When your heart was crying out for affection  
I guess that I was blind, now baby I...

Feel the rain...I don't mind  
Shine...The weather's fine  
When the rain comes they run and hide their heads  
(When the rain comes down)  
They might as well be dead (When the rain comes down)  
When the rain comes, when the rain comes  
When the sun shines they slip into the shade  
(When the sun shines down)  
And sip their lemonade (When the sun shines down)  
When the sun shines, when the sun shines  
Why did I look in a different direction?  
When you were right here with me all the time  
When your heart was crying out for affection  
I guess that I was blind, now baby I...

Feel the rain falling down on me  
I call your name, I miss you, can't you see  
I'll take the blame, we should never be apart  
Tell me what can I do to get you back into my heart

Feel the rain falling down on me  
I call your name (I call your name) I miss you, can't you see  
I'll take the blame (oh oh oh oh...) we should never be apart  
(Tell me what can I do to get you...) I want you back with me  
(Tell me what can I do to get you...) I need you, can't you see  
Tell me what can I do to get you back into my heart...
