

Dream Street, Gotta Get The Girl

Gotta gotta gotta get her (Get her, get her')
Gotta get the girl, get the girl
Gotta get the girl, get the girl, (mmm...)
Gotta get the girl, get the girl, (yeah..)
Gotta get the girl, get the girl

You know it feels like a fever comin' over me
And I don't know what I'm doing; It's such a crazy scene
'Cause the more that I see her, the more I believe
I'll find a way to get through; She's everything I need

Been all over the world
And all other girls (All other girls)
Don't compare to the sight that I see

(Chorus)
I just gotta get the girl, get the girl
Gonna make her mine
Wanna get her close to me
I just gotta get the girl, get the girl
Gonna keep on tryin'
'Till I get the girl for me

Gotta gotta gotta get her (ooh, yeah)
Gotta gotta gotta get her, yeah
Gotta gotta gotta get her for me (oh, oh)
Gotta gotta gotta get her
Gotta gotta gotta get her, yeah (oh oh oh)
Gotta gotta gotta get her for me

It's like a fire burnin' deep inside my soul
I'm going crazy, losin' my control
And I just wanna love her in a special way
There's nothin' like this feelin', I just gotta say

Been all over the world
And all other girls (All other girls)
Don't compare to the sight that I see
I just

Gotta get the girl, get the girl
Gonna make her mine
Wanna get her close to me
I just gotta get the girl, get the girl
Gonna keep on tryin'
'Till I get the girl for me

Wanna love you baby, wanna treat you right (yeah, yeah)
And when I get you girl I'm gonna hold you tight (yeah, yeah)
Ooh, you drive me crazy, gonna lose control(yeah, yeah)
'Cause I got this feeling that I can't let go (yeah, yeah)

Been all over the world
And all other girls (All other girls)
Don't compare to the sight that I see (ah, ah, ah, ah)
Baby, baby'

I just gotta get the girl (Get the girl)
Gonna make her mine
Wanna get her close to me
I just gotta get the girl (Get the girl)
Gonna keep trying (Till I get the girl for me)
I just gotta get the girl, get the girl (My girl)
Gonna make her mine

Wanna get her close to me
I just gotta get the girl, get the girl (My baby baby baby)
Gonna keep on trying till I get the girl for me
Hoh-oh-oh...My baby baby baby'

Gotta gotta gotta get her
Gotta gotta gotta get her, yeah
Gotta gotta gotta get her for me'
I just gotta gotta gotta get her!
