

# Dream Street, In My Eyes(Greg)

With a smile of an angel  
you walked into my heart  
I took one look at you and  
I felt it from the start  
We're almost meant to be and  
I know that you care for me  
Let's not rush the time,  
you know I'm yours and I know you're mine

cuz I want something real and  
I want it to be true  
Don't you say the words I love you  
I love the way you feel and  
I love the things you do  
But I won't say that I love you too

You and me, we can make it be  
if we just give it some time  
You know me so  
I know you can see that  
the love is in my eyes

Words are so fake don't make the mistake  
of letting your heart break  
Eyes can't disguise when they're sad  
they cry when they lie they're shy  
Don't tell me how you feel just  
show me how you do  
I'll make it so you can't mistake it  
I feel the same way too

cuz we got time to spend,  
it's not the end so don't you pretend  
With words like I love you

You and me, we can make it be  
if we just give it some time  
You know me so  
I know you can see that  
the love is in my eyes

And I know in time we could have that  
title that makes you mine  
But I don't need that, cuz I can see that,  
it's in your eyes

You and me, we can make it be  
if we just give it some time  
You know me so  
I know you can see that  
the love is in my eyes

You and me, we can make it be  
if we just give it some time  
You know me so  
I know you can see that  
the love is in my eyes
