

# Dream Street, It Happens Every Time

Can you hear the music playing?  
Can you feel the rhythm swaying?  
This is the sound of dreams come true  
And I can promise you that  
You are the one and only  
And I'm the lost and lonely  
We are the perfect dream come true  
And I can promise you that I  
Hear a silly love song in my heart

It happens every time  
When I see you  
It happens every time  
When I think of you  
It happens every time  
Ohh it's magic when we meet  
Baby, Down on Dream Street

Let me take you by the hand  
And walk you down the Milky Way  
Cause you make me feel I'm so alive  
Though I promise, baby  
I hear a silly love song in my heart

It happens every time  
When I see you  
It happens every time  
When I think of you  
It happens every time  
Ohh it's magic when we meet  
Baby, Down on Dream Street

(It happens every time)  
Baby, It happens every time  
Oh it's magic when we meet

Down on Dream Street  
When I close my eyes  
There's angels all around  
Singing a love song

You know it happens every time  
When I see you...Oh  
Ohh, It happens every time Oh, Oh, Ohhhhhhhhhhhhhhh

It happens every time  
When I see you  
It happens every time  
When I think of you  
It happens every time  
Ohh it's magic when we meet  
Oh baby, Down on Dream Street

(It happens every time)  
Baby, oh, oh

It happens every time  
Oh it's magic when we meet  
Down on Dream Street
