

# Dream Street, Someone To Hold Me Tonight

Oooh, oh  
yeah, yeah,  
well well, oh oh

I just don't understand  
Can't help the way I feel  
It's crazy but it's true, ooh-oooh  
'Cause when you touch my hand  
I know this feelin''s real  
Tell me, are you feelin' it too?

I know you're scared to show you care  
Just let me show you how (show you how)  
Can't you see what you mean to me?  
You're all I need right now

I just want someone to hold me tonight, oh-oh, yeah  
Somebody who's holding me tight, oh-oh, well well, alright

Can't say I know for sure  
Can't say we'll never part,  
Never gonna let you go, mmmm...  
You've heard it all before  
But listen to your heart  
Give me all you've got, and more

Just hold me now and say you'll stay  
Be mine tonight, and then...(Tonight, and then...)  
Say you'll never go away  
This night will never end

I just want someone to hold me tonight, oh oh, yeah  
Somebody who's holding me tight oh oh, well well, alright

I wanna get together with you (With you)  
Ooh, with every beat of my heart (Every beat of my heart)  
I'm on fire, what can I do?

I just want someone to hold me tonight, oh oh, yeah  
Somebody who's holding me tight, oh oh, well well, alright

I just want someone to hold me tonight...oh oh, yeah  
Oh... somebody who's holding me tight, oh-oh, well well,  
I just want someone to hold me tonight, yeah, yeah,  
Somebody loving me  
Somebody holding me  
Whoa yeah... (Somebody who's holding me tight)  
Somebody loving me  
Somebody holding me  
alright...  
I just want someone to hold me tonight.
