

# Dream Street, They Dont Understand (Pokemon)

They say, we're just playin' games  
That it isn't real... but its what we feel, oh yeah  
And they say, it doesn't make sense  
That we're just wastin' time...and they wonder why, yeah

You know we got, our own special language  
That only we can speak, ooh...oh yea  
And parents never know just what it means, oh no...

(Chorus)  
They don't understand, how we communicate  
Oh so many things, that we do and say  
They don't really get, what its all about  
No they never will understand Pokemon

I can't explain, if they don't know why  
Ya see its everywhere, well...they must be blind, whoa  
Pika-what? and Geo-who? it just goes to prove  
They don't have a clue, no no...

Ya know we got our own world to live in, yeah  
An we're so far apart, oh yes we are  
To make it clear I don't know where to start, oh no

(Chorus)

Ya know we got, our own special language  
That only we can speak  
And parents never know just what it means...  
What it means...

(Chorus)
