

Dream (US), He Loves U Not

Give it your all, girl, give it all you got
You can take your chances, take your best shot
Say what you want, girl, do what you do
He's never gonna, gonna make it with you

You're pulling petals of a flower tryin' to getcha way
Keep pulling till it says what you wanna say
Girl, you can pick a field full of daisies,
But he'd still be my baby

I know you can hardly wait till I'm away from him
Instinctively, I know what you're thinking
You'll be giving him an open invitation
But my baby wont be taken in, no

You can pout your cherry lips
Try to tempt him with a sweet kiss (sweet kiss)
You can flutt your pretty eyes
He ain't got his hands tied

No chains to unlock, so free to do what he wants
He's into what he's got
He loves me, he loves you not
No matter what you do, he's never gonna be with you
He's into what he's got
He loves me, he loves you not

You're the kinda girl that's always up for do or dare (dare)
Only want him just because he's there
Always looking for a new ride
The grass is greener on the other side

You're the kinda girl who's not used to hearing no (no)
All your lovers try to take you where you wanna go (go)
Doesn't matter how hard you try
Never gonna get with my guy

No chains to unlock, so free to do what he wants (so free to do what he feels)
He's into what he's got (and that's me)
He loves me, he loves you not
No matter what you do, he's never gonna be with you (be with you)
He's into what he's got
He loves me, he loves you not

Doesn't matter what you do, he's never gonna be with you
