

# Dreamaker, Over The Edge

Music: Albert Maroto

Lyrics: Elisa C.Martin

Are you calling me?  
I want to begin again  
I cannot believe it!  
We don't need to talk  
All so stupid, all so fake  
And your life's an empty game

Do you grieve for me?  
I would live and die for you  
I cannot believe it!  
That's my truth  
Everything in you is a lie  
I started to realize

Liar! Say it to me  
What do you want today?  
Dirty my life with your lies again?  
I really know you more than yesterday  
Take care cause you are over the edge

Why do you follow me?  
I don't want to fight with you  
I cannot believe it!  
You don't say good bye  
I gave everything for you  
Only for a piece of truth

Can't return to your life!  
You forget me now!

Wake up babe  
Don't want to talk about this shit  
Do you listen to me now?  
You must feel shame to say all this shit

I don't want to run away  
But I can't take it...
