

Dreamgirls, Fake Your Way To The Top

"[Jimmy]"

Thirteen years of solid gold platters,
Rising costs and cocktail chatter,
Fat deejays, stereophonic sound,
The game of hits goes 'round and around,
But you can fake your way to the top,
'Round and around, "Try that part baby",

"[Lorrell]"

'Round and around

"[Jimmy]"

Fake your way to the top,

"[Deena]"

'Round and around

"[Jimmy]"

"You fit right in there sweetheart!"
You can fake your way to the top

"[Effie]"

'Round and around

"[Jimmy]"

"I knew you'd have it!"
But it's always real, so real

"[Dreamettes]"

Always so real

"[Jimmy]"

When you're comin' down!

I know what's happenin' (Doo, doot, doo doo)
I've been around (Doo, doot, doo doo)
Fakin' my way (Doo, doot, doo doo)
Through every town (Doo, doot, doo doo)

I make my livin' (Doo, doot, doo doo)
Off of my sound (Doo, doot, doo doo)
And the game of hits (Doo, doot, doo doo)
Goes 'round, and around, and a

"[Dreamettes]"

'Round and around and 'round and around
and 'round and around and around
'Round and around and 'round and around
and 'round and around

"[Jimmy]"

A man gets lonely (Doo, doot, doo doo)
Workin' hard on the road (Doo, doot, doo doo)
He's away from his woman (Doo, doot, doo doo)
It's a heavy load (Doo, doot, doo doo)

"[Dreamettes]"

Doo, doot, doo doo

"[Jimmy]"

"Time to bring up the lights! Yeah!
Let's see which one of these girls goin' home with Jimmy tonight
I got a nice, warm, bed watin' on ya
Alright now, c'mon now, who wants to sit on daddy's lap?"

Break it down!"

[musical break]

"[Jimmy]"

I fake my way to the top ('round and around)
Oh yeah, yes I did, I say ('round and around)
I fake my way to the top ('round and around)
Oh, ('round and around)
You know I fake my way to the top ('round and around)
Yeah, yeah, boy yes I do ('round and around)

And it's always real, so real (always so real)
When you're comin' down!
I fake my way, yes I did
Oh, yeah yeah yeah

Help me Jesus (help me Jesus)
Help (help x8) help me Jesus (help me Jesus)
Yeah, yeah, yeah (help x8, help me Jesus)
Too bad! (help x8)

"[All]"

Fake my way
To the top!
