

Dreamgirls, Family (Reprise)

"[Deena]"
Ahhh, ahhh
Ahhh, ahhh

"Hello, America,
What a wonderful evening.
I love you all,
Curtis, baby, this is for you"

"[Deena Jones and the Dreams]"
We are a family,
Like a giant tree,
Branching out towards the sky

We are a family,
We are so much more,
More than just you and I
We are growing free
