

Dreamgirls, Hard To Say Goodbye

"[Deena]"

We didn't make forever,
We each got to go our separate way,
And now we're standing here, helpless,
Looking for something to say

We've been together a long time,

"[Michelle]"

We never thought it would end,

"[Lorrell]"

We were always so close to each other,

"[Deena]"

You were always my friend

"[Deena Jones and the Dreams]"

And it's hard to say good-bye, my love,
Hard to see you cry, my love,
Hard to open up that door,
When you're not sure what you're going for

"[Deena]"

We didn't want this to happen,

"[Michelle]"

But we shouldn't feel sad,

"[Lorrell]"

We had a good life together,

"[Deena Jones and the Dreams]"

Just remember, remember, all the times we had

"[Deena]"

You'll know I'll always love you.
You'll know I'll always care.
And no matter how far I may go,
In my thoughts,
You'll always be there.

(It's so hard) hard to say good-bye, my love,
(Baby, it's hard) hard to see you cry, my love,
(It's hard) hard to open up that door,
When you're not sure what you're going for

But we've got to grow,
We've got to try,
Though it's hard, so hard,
We have to say goodbye

(We didn't make forever,) But I will always love you,
(We didn't make forever,) But I will always love you,
(But I will always love you,) But I will always love you

It's so hard,
Baby, it's so hard
It's so hard,
Baby, it's so hard...
