

# Dreams, I Miss You Like Crazy

I miss you like crazy  
Tell me when you're comin back home  
I miss you like crazy  
Tell me when you're comin back home

Since u've been away  
Things aint been the same  
I miss you more and more each day  
Sumthin 'bout your love  
I just cant get enough  
I wish it wouldn't hurt so much

You don't know what you done to me  
I can't sleep at night baby  
Wishin you were here with me  
There's sumthin 'bout the love you give  
No one else can give it to me  
I miss you like crazy

I miss you like crazy  
I miss you being my baby  
Tell me when you're comin back home  
I miss you like crazy  
I miss you being my baby  
Tell me when you're comin back home

No matter what I do  
I cant stop thinkin of you

You're always on my mind  
My heart is not a home  
Since you've been gone  
I wish you would come back to me  
You dont know what you've done to me  
I cant sleep at night baby  
Wishin you were here with me  
There's sumthin' bout the love you give  
No one else can give it to me  
I miss you like crazy

I miss you like crazy  
I miss you bein my baby  
tell me when you're comin back home  
I miss you like crazy  
I miss you bein my baby  
Tell me when you're comin back home

Now I realized how much you mean to me  
You are my everythin  
I miss you baby

I miss you like crazy  
I miss you bein my baby  
Tell me when you're comin back home  
I miss you like crazy  
I miss you being my baby  
Tell me when you're comin back home
