

Dreams, My Will

English

Quietly awakening...

I always, always wish

that these fleeting thoughts

would reach you...Unable to move forward across "just a little more" distance

The way I see before me is always blocked

Every time the days I want to see you but can't pile up,

My strong heartbeat turns into heartbreak.If there is such a thing as "eternity,"

I want to believe, even if I have to take the long way.

Although I know that I've been hurt before because I'm clumsy

I won't stop; I won't give in to anyone.I think of you

and that alone is enough

to make the tears start to flow now

I always, always wish

that these fleeting thoughts

would reach you...I've known all too well about pretending to be strong.

But since then, my doubts have vanished.There's definitely things I want to show you

And so many words I want to hear

I want to see all sides of you, when you laugh and cry

So I'll stop waiting

and seize my "chance;"I think of you,

and I feel like that alone is enough

to make my heart grow stronger.

I always, always wish

that these fleeting thoughts

would reach you...I think of you

and that alone is enough

to make the tears start to flow now

My distant voice can't reach you now, but so that someday

it definitely will...
