

# Dreams, Things Can Only Get Better

You can walk my path, you can wear my shoes  
Learn to talk like me and be an angel too  
But maybe you ain't never gonna feel this way  
You ain't never gonna know me, but i know you  
I'm singing it now-  
Things can only get better  
They can only get better if we see it through-  
that means me and I mean you too  
So teach me now that things can only get better,  
They can only get, they only get, take it on from here  
You know i know that things can only get better  
I sometimes lose myself in me, I lose track of time  
And I can't see the wood for the trees  
You set them alight  
burning bridges as you've gone  
I'm too weak to fight ya  
I've got my personal hell to deal with, then you say  
Walk my path, wear my shoes, talk like that-  
I'll be an angel then  
Things can only get better  
they can only get better, now i found you  
Things can only get better, they can only get better,  
now I found you  
and you and you  
You have shown me prejudice and greed  
And you've shown me how I must learn to deal with this disease  
I look at things now in a different light than I did before  
And I've found the cause  
and I think you can be my cure  
So teach me to...  
Walk your path, wear your shoes, talk like that, I'll be an angel and  
Things can only get better.....
