

# Dreams, When I Get There

Your still trying to capture the moment,  
I'm living in it.  
Still trying to buy your heart open  
the skies been my limit.  
I've been wandering with you  
forever come meet me  
Halfway,  
Someday will you ever make me happy, baby

(CHORUS)

When i get there,  
I'm finally free.  
When i get there,  
I'm home.  
When i get there,  
I'll turn the key.  
When i get there,  
I'll know.

(BRIDGE)

I don't know where I'm going,  
But I'm going,  
And I'll know it when I get there.  
Can't wait another minute,  
'cause your heart just isn't in it,  
And it's not fair.

(CHORUS)

Ah.. I see myself in a cathedral,  
All dressed in white.  
Their's someone who's willing and waiting,  
(who's waiting)  
to be there by my side.  
Don't know where I'll find him,  
But I'm sure I'm going ot find im.  
Somewhere (somewhere)

Out their (out their)  
I know he's going to make me happy  
Baby

(CHORUS)

(BRIDGE)

(Bridge2)

I don't know how I'll make it,  
so I guess I'm gunna fake it  
Till I'm somewhere.  
I don't know where I'm going,  
But I'm going,  
And I'll know it when i get there.

I've been thinking about our situation,  
It's not what i want.  
If you can't get what your giving,  
You've got to be moving on.  
But i got no hard feelings,  
It's just the heart that needs healing  
(healing)  
It takes time,  
But I'll find another road.

Then I will know (I'll know)

He's the one (he's the one)  
Sure as Rain  
Sure as Sun (sure as sun)  
Till the day (till the day)  
Hope is gone (gone)  
I will keep holding on.

(BRIDGE)  
(Chorus x3)
