

# Dreamz FM, Should I Stay (Chemistry Soundtrack)

Had a drive  
Driven by your love  
But when you messed around  
I lost the drive I found

Thought you needed  
Needed someone true  
But you changed your mind  
Or had I failed you?

Wish you'd been  
Careful with my heart  
But you tore it apart  
And broke an angel's heart

The kiss was true  
Has to end somehow  
But I am livin' proof of what love is about

CHORUS  
It's hard holding you  
Loving you, losing you  
It's sad to be true  
And be fooled by you  
I don't know (I don't know)  
I gotta know  
Should I stay or should I go?

You played me on  
Played me like a clown  
But I feel for you  
Eventhough I'm down

My heart is heavy  
Heavy like a rock  
But I am so amused  
You're still in my thoughts

CHORUS

Oooohh'should I stay?  
Should I go?

CHORUS

This time its done  
It'll never feel the same  
But we had some good times  
Guess it's sad just the same

I guess the truth  
Doesn't matter somehow  
But you were livin' proof of what love is about'
