

Dredg, A

We're born into silence, then let all be,
Lift your anchor then just float astray,
Born into silence, then let it all be
Fortune in silence

Watch it explode
While fragments of ironies examples fly,
And hit the shore,
And tyranny is torn from the podiums,
Where leaders stand, but rule no more.

Pleading with nothing,
Why don't we lecture about something?
Protest the way, we're passive today.

Watch it explode
While it's not impossible for flowers to bloom and grow,
Next to graves, and babies are born in the same buildings where people go,
To pass away, to pass away

Pleading with nothing,
Why don't we lecture about something?
Protest the way, we're passive today.

We live like penguins in the desert,
Why can't we live like tribes?
We live like penguins in the desert,
Why can't we live like tribes?

We're born into silence, then let all be,
Lift your anchor then just float astray,
Born into silence, then let it all be
Fortune in silence
