

# Dredg, Halong Bay

Carving your heart out of wood, we'd better ourselves if we could. Two glass eyes with yarn eyelashes

Come with me, where we will go on a summer's wind. Come with me, where we will go, on a summer's

TV. ????????? radiate in knowledge, kookaburra songs radiate in harmony, between Australia and

Above, the night, sky, they see them, before, me, every night I lay, learned how to use, hands when
