

# Dredg, Lechium

Yes take time  
To realize what you have  
Yes i did  
But suspended  
And now i hang  
Beneath the ground that we have made  
For us  
To walk on.

See me now  
Crawl away, crawl away  
See me now  
Crawl away

Yes take time  
To realize what you have  
Content  
But descended  
And now i swim  
Beneath currents of hope and faith  
Now it is time  
To surface.

??

See me now  
Crawl away, crawl away  
See me now  
Crawl with me  
Belive me now  
Crawl away, crawl away  
Come crawl with me
