

# Dredg, Papal Insignia

Churches steeples, and ant-like peoples  
Sky-piercing towers, portray its power  
Speckles of residence unveil its essence  
Leaving me within these walls  
Walk these timeless halls  
Walk these timeless halls  
Within these walls

Hearts colliding, senseless hiding  
Generic cowards confine its power  
Oceans smiling  
[breathing softly]  
With hands providing  
[breathing slowly]  
Nurturing flowers, pollinate the hour  
Speckles of residence unveil its essence  
Leaving me within these walls  
Acquire acceptance confines its essence  
Leaving me within these walls

Snap back and subtract, recoil and retract  
[feeding the flame]  
Snap back and subtract, recoil and retract  
[paving the way]

Speckles of residence unveil its essence  
Leaving me within these walls  
Acquire acceptance confines its essence  
Leaving me within these walls

Snap back and subtract, recoil and retract
