

# Drentch, All I Have

I have seen you Lord  
I have seen your glory fall  
I have come to know you  
I want more of your love  
All I have  
All I am  
I give it all to you  
Take all I have  
All I am  
I want to be more like you Lord

I have felt your warm embrace  
Here in the secret place  
I've come to know you Lord  
I stand amazed  
Here at your wondrous grace  
I fall before you Lord

## CHORUS

Such foolishness  
To love anything more  
Such forgiveness  
You gave me life forevermore

## CHORUS
