

Dri, Capitolist Suck

Capitolist Suck
Capitolist Suck
Capitolist Suck

You can't tell your wants from needs
You buy America and do a good deed
Create a job, don't bite the hand that feeds

Capitolist Suck
Capitolist Suck
Capitolist Suck

All of your goals are the fucking same
As every other jerk in this stupid game
Your brains have been washed and hung out to dry
You don't doubt it and you don't know why
