Dri, Drown You Out

We've waited with patience For acceptance Into your lame-o stations You've left us no choice Because you won't let us Voice our opinions

We've got to drown you out Drown you out [2]

When commercial sponsors Decide what we hear Something's wrong How much money would they lose If they decided To choose our song?

We've got to drown you out Drown you out [2]

We've waited with patience For acceptance Into your lame-o stations You've left us no choice And we have got to Voice our opinions
