

Drist, Cataracts

So, stare
Look at the colors they glow so anothers
Can view, through the signs
Only one, day to hold it together
And trust in somebody like you (?)
Of, your lie

It's the air I breathe in
Hold it in so long
It's a moment, a feeling
Where all my world's gone wrong
It's the air I breathe in
Hold it in so long
It's a moment, a feeling
What the hell took so long

...
