

# Drive By Truckers, 18 Wheels Of Love

Mama ran off with a trucker  
Mama ran off with a trucker  
Mama ran off with a trucker  
Peterbilt Peterbilt

He is making her give life another stab  
They can see the world from way up in the cab

Mama ran off with a trucker.....  
Peterbilt Peterbilt

She can quit her job and be his little bride  
He can get a local route and stay home by her side  
She can fix him roast beast and sweet potato pie  
He can eat a lot of it cuz he's a big ole guy

They got married in Dollywood  
(by a Porter Waggoner lookalike)  
18 Wheels of Love

for Mom and Chester, on the occasion of their marriage, July 1994
