

Drive Like Jehu, Future Home Of Stucco Monstro

Gotta cough, got the sniffles,
saw a doctor, got a match,
got a hammer, got a nail,
gotta casket, got a match,

got a green card, got a hassle,
took a beatin' got a match,
hey man, hey man, hey man, gotta match?

Tell yer ma, tell yer pa, our loves gonna grow,
it's a government building and the hatchet job i know, i know
every single cinderblock they all gonna blow,
tell your ma tell your pa our love's gonna grow.
