

# Drive Like Jehu, Sinews

Found yourself an asshole  
find yourself the door.  
ain't gonna fix your leaks for you.  
ain't gonna watch the store.

every last string and gut pulled apart and divvied up  
my share  
trash man (etc.)

found yourself an asshole,  
knew you could afford.  
keep your handouts - cup cake -  
find yourself the door
