

Driver, She Laughed At Me

She laughed at me
When I said
Come back to me
She laughed at me
When I said
Come back to me

Alcohol, and cigarettes
And my guitar are my only friends
I think that lately i've had to much time on my hands
to relax

I didnt mean it when i told you to leave
I didnt mean it, now i'm begging you please
As you walk away

She laughed at me
When i said
come back to me

I think tonight i'll take the long way home
Cause right now i'd rather be alone
If i cant have you i think i'm better on my own

I didnt mean it when i told you to leave
I didnt mean it, now i'm begging you please
As you walk away

And now i'm screamin'
At the top of my lungs
But you dont hear me
Nobody does
I'm crawling on my knees

Cause i didnt mean to hurt her
I didnt mean to push her away
I'd tell her that i'm sorry
But she'd just throw it back in my face

She laughed at me
When i said
Come back to me, just come back to me

I didnt mean it, when i told you to leave
I didnt mean it, now i'm begging you please
As you walk away

And now i'm screamin', at the top of my lungs
But you dont hear me, nobody does
I'm crawling on my knees

Don't laugh at me, Don't laugh at me yeah
Don't laugh at me, Don't laugh at me...yeah
