

# Driving East, All Alone

I hope you never write are you ever wrong. Its the story of your life or is that the TV on.  
If you played your part as well as I could play along. You would still be called a liar and I would still

Your all alone, never thought you would be the one to go. Did you think you weren't replaceable? F

Sympathetic cries over our favorite song. I hate you when you're here and miss you when you're g

Your all alone, never thought you would be the one to go. Did you think you weren't replaceable? F

So what would it take for you to discover. That I was the loser I was the sucker. How would you fee  
Since its what I wan I hope you never recover. Since its what I want. (you would think I would be s
