

Driving East, All She Ever Wanted

I opened my eyes to the morning and watched the sunrise from your room. You were sleeping sound

Were falling down. I want it all but we keep falling down. But if anything. She knows that

He's all she ever wanted is she all he ever needs. Im sure he will disappoint you cause its part of h

I tried to make sense of that morning the way I looked inside your room. You were sleeping sound

Were falling down. I want it all but we keep falling down. But if anything. She knows that were fallin

He's all she ever wanted is she all he ever needs. Im sure he will disappoint you cause its part of h

Feeling like I care. Feeling like he's all she ever wanted, and all she ever needed.

Feeling like

He's all she ever wanted is she all he ever needs. Im sure he will disappoint you cause its part of h
