

# Driving East, Something Left To Save

So this is it, a black eye or a broken heart. In this chess game it's my chance to move. Far from all  
This repetition has to end its all for fun and its all for sin. Im giving up. Your giving in. ill check you o  
Im sorry if you though that

Meet your demise im poised and perfect like this show. And all my sins they live through you. This

This repetition has to end its all for fun and its all for sin. Im giving up. Your giving in. ill check you o

Im sorry if you though that there was something left to save

Pretend that I am beautiful pretend as if I care

This repetition has to end its all for fun and its all for sin. Im giving up. Your giving in. ill check you o

Im sorry if you though that there was something left to save
