

# Dropkick Murphys, Boys On The Docks

Chorus

Say hey Johnny boy,  
the battle call  
united we stand, divided we fall  
together we are  
what we can't be alone  
we came to this country  
you made it our home

this man so humble,  
this man so brave  
a legend to many,  
he fought to his grave  
saved family and friends  
from the hardship and horror  
in a land of depression  
he gave hope for tomorrow  
say Johnny me boy  
this ones for you  
with the strength of many  
and the courage of few  
to what do we ow this man  
who's fight was for the masses,  
he gave his life

(chorus)

a friend to the locals who dabbled in crime  
he'd give you a job  
and he'd give you his time  
he wasn't a crook  
but he couldn't be conned  
Jon knew the difference between right and wrong  
say Johnny me boy,  
you live hear no longer  
others forgotten,  
your memory's stronger  
lets drink to the causes in your life  
your family, your friends, the union, your wife

(chorus) 2x

and the boys on the docks needed Jon for sure  
when they came to this country  
he opened the door  
he said men I'll tell ya  
they don't like our kind  
though it starts with Your fist  
it must end with your mind  
(chorus)
