

# Dropkick Murphys, Boys On The Docks (Murphys

(Dedicated to the memory of John Kelly)

[Chorus]

Say hey Johnny Boy the battle call  
united we stand, divided we fall  
together we are what we can't be alone  
we came to this country you made it our home

This man so humble This man so brave,  
A legend to many, he fought to his grave  
saved his family and friends  
from the hardship and horror in a land of depression  
he gave hope for tomorrow say johnny me boy this one's for you with  
the strength of many and the courage of a few  
to what do we owe this man who's fight was for the masses  
he gave his life

[Chorus]

Friend to the locals who dabbled in crime  
he'd give you a job and he'd give you his time  
he wasn't a crook but he couldn't be cunned  
John knew the difference between right and wrong  
Say Johnny Boy you live no longer others forgotten  
your memories stronger lets drink to the causes  
in your family, your friends, the union your wife

[Chorus x2]

And the boys on the docks needed John for sure  
when they came to this country he opened the door  
he said man I'll tell ya, they don't like our kind  
though it starts with your fist it must end with your mind!

[Chorus x2]
