I'm gonna drive a Cadillac
Cadillac, Cadillac
I'm gonna drive a Cadillac
Cadillac, Cadillac
Ain't no use to try to stop my
Cadillac, Cadillac (no no)
Cadillac, Cadillac (no no)
I'm gonna drive a Cadillac
Cadillac, Cadillac
I'm gonna own a Cadillac
Cadillac, Cadillac
All you other wheelers just get back from my
Cadillac, Cadillac
'Cause ain't nobody gonna pass this Cadillac
Cadillac, Cadillac (no no)
Cadillac, Cadillac (no no)
I'm gonna have a Cadillac
Cadillac, Cadillac
I'm gonna get me a Cadillac
Cadillac, Cadillac
I'm gonna steal me a Cadillac
Cadillac, Cadillac
I gotta have me a Cadillac
Cadillac, Cadillac
'Cause you can't make this Cadillac stay back
Cadillac, Cadillac (no no)
And ain't no other whip gonna catch my Cadillac
Cadillac, Cadillac (no no)
Cadillac, Cadillac (no no)
Cadillac, Cadillac (no no)
Ain't no use to try to stop my
Cadillac, Cadillac (no no)
All you other wheelers just get back from my
Cadillac, Cadillac (no no)
'Cause you can't make this Cadillac stay back
Cadillac, Cadillac (no no)
And ain't no other whip gonna catch this Cadillac
Cadillac, Cadillac (no no)
