

# Dropkick Murphys, Caught In A Jar

Now there comes a time  
in every man's life  
where dicisions  
have  
to be made  
whether to toil  
to labor  
or just plain piss your days away  
away  
away

(Chorus):  
got a funny feelin' that my times are caught in a jar  
maddness and insanity have arrived  
note to christ and everyone else  
my times are caught in a jar  
satan's grave is bearin' down on me

up in the morn  
here comes the day  
god knows I hate it this way  
when im in a casket live  
fightin' the wife  
negletin' the kids  
spendin' time on rediculous bids  
four walls are closin' in

(Chorus x3)
