

Dropkick Murphys, Get Up

I went North to see the Stiff Little Fingers play
The kids in the Belfast were tearing it up
Jake is the punkest dude I do declare
He got a leather jacket, and the spikey hair

chorus: "We All Fall Down"
So Get Up Now "
We All Fall Down"
So Get Up Now

Since '77 they've made music for me and you
Playing punk rock songs while the bombs they blew
Now I suspect these songs are about pain and strife
But I'll tell you this they didn't waste their life

chorus:

"Why Don't You Get Up And Get Out!" (3x)
