

# Dropkick Murphys, Gotta Get To Peekskill (feat. V

Big boat, little boat, whistle and pound  
Little wheel, big wheel, roll on the ground  
I'll have to ride like the bald eagle flies  
I gotta get to Peekskill, break a leg or die

Break a leg or die, boys  
Break a leg or die  
Take a sled and slide, gals  
Take a wing and fly  
Walk in that gate when the daylight breaks  
I gotta get to Peekskill, break a leg or die

Eight days ago those 'Klookluxers' come  
Beatin' folks around and drink a sip of blood  
When Paul sings tomorrow  
Those Goon Thugs will try  
I gotta get to Peekskill, break a leg or die

Break a leg or die, boys  
Break a leg or die  
Take a sled and slide, gals  
Take a wing and fly  
Walk in that gate when the daylight breaks  
I gotta get to Peekskill, break a leg or die

I'll follow the new trail of blood on the ground  
In through the gate, and mill with the crowd  
I just got a feelin' that blood's gonna fly  
I gotta get to Peekskill, bread a leg or die

Break a leg or die, boys  
Break a leg or die  
Take a sled and slide, gals  
Take a wing and fly  
Walk in that gate when the daylight breaks  
I've gotta get to Peekskill, break a leg or die

Break a leg or die, boys  
Break a leg or die  
Take a sled and slide, gals  
Take a wing and fly  
Walk in that gate when the daylight breaks  
I've gotta get to Peekskill, break a leg or die
