

# Dropkick Murphys, Informer

Why'd you give him 18 years  
Leave a family drowning in tears  
Baby boy baby girl  
Now their lives a living hell

Some say it shouldn't be done  
But life on the dole ain't no fun  
Shouldnt have been done  
Youre an informer

You didn't have to name him to the law  
Just trying to stop from being poor  
Hopes the kids will pull through  
Without a dad coz of you

Some say it shouldn't be done  
But life on the dole ain't no fun  
Shouldnt have been done  
Youre an informer
