

Dropkick Murphys, On The Attack

The scene often changes, the kids come and go but history's for sure and this much I know. the ro

Chorus: This is my world, wolfpack, last rights. The kids will have their say another wasted night.

There's many forms of music, and they all play a part, as long as the meaning comes straight from

Chorus:

Because today we carry on, and the numbers have grown, A social movement that we call our own

Chorus:
