

Dropkick Murphys, The Kids Are Alright

I don't mind
all the guys dancing with my girl
thats fine
i know them all pretty well

Chorus:
But i know sometimes i must get out in the light
better leave her behind, where the kids are alright

Sometimes
i feel i gotta get away
bells chime
i know i gotta get away

Chorus:
And i know if i dont i'll go out of my mind
better leave her behind, where the kids are alright

I know if i go things'l be alot better for her
I had things planned but her folks wouldn't let her

I don't mind
all the guys dancing with my girl
thats fine
i know them all pretty well

Chorus:
But i know sometimes i must get out of the light
better leave her behind, where the kids are alright

Sometimes
i feel i gotta get away
bells chime
i know i gotta get away

Chorus:
And i know if i don't i'll go out of my mind
better leave her behind, where the kids are alright
