

# Dropline, Best Thing.

-Verse 1-

I dont wanna talk about it, because it means im thinkin of you  
I dont wanna think it over, because it means im thinkin its true  
I'm trying to catch the falling peices, but ur always in the way  
I'm trying to be the voice of reason, but I dont know what to say

-Chorus-

I cant see you for him  
Theres no doubt, all my friends say  
You were the best thing I ever had  
You were the best thing that ever happened to me  
You were the best thing I ever had  
Baby Baby Baby Baby

-Verse 2-

Well I wake up with this lonely feeling  
Cant stand it from being alone  
I cant shake this lonely feeling  
Its the worst id ever known

[Chorus]

Its time to let you go...  
And its time to let you go...  
Let you go...
