

Dropout Year, From Across The Room

And so I see you from across the room with a guy that looks just like I do, maybe he will be reminding
does he care the way that I did once? I know you don't but part of me still does. he have my qualities
he has what I had and I want that back by my side, with your hand held in mine. I can't just sit back
and there's a difference between what is said and what is really meant and he's saying what it takes
does he care the way that I did once? I know you don't but part of me still does. he have my qualities
he has what I had and I want that back by my side, with your hand held in mine. I can't just sit back
if he's everything you want cause he's everything i'm not, take a look at what you lost cause that's e
