

Drowning Pool, Bringing Me Down

Everyday, always the same
I hear your name and it cuts through me like a chainsaw
And I fall back into that simple fool that you once knew

And just as soon as I let you back in
Seems I'm reminded of all of this again

Bringing me down

How much more will it take
'Till I break
And I dived that stake
Right into that think that you call your heart
Hell it's fallen apart
And I don't think it worked right from the start
Just as soon as I let you back in
Seems I'm reminded of all of this again

Bringing me down

I can't believe that I let you walk all over me
I can't believe that you had such a hold on me

Bringing me down
