

# Drowning Pool, Paralyzed

I can feel the raindrops... (The raindrops...)  
Running down my back,  
[with] the words you used to ruin me...  
You ruin me...

And I remember the rain in my eyes,  
the day you turned to run away...  
You ruin me!

And... I feel paralyzed, you leave me broken!  
And... I feel paralyzed, you leave me so broken...

Can you make the pain stop... (The pain stop...)  
Swallow all those thoughts  
you used to have, that crippled me...  
You ruin me...

Can you remember the pain in my eyes,  
the day you turned to run away...  
You ruin me!

And... I feel paralyzed, you leave me broken!  
And... I feel paralyzed, you leave me so broken...  
You keep me tied down, you're stealing my crown,  
you leave me hopeless...  
And I feel paralyzed!

And... I feel paralyzed, you leave me broken!  
And... I feel paralyzed, you leave me so broken...  
You keep me tied down, you're stealing my crown,  
you leave me hopeless...  
And I feel paralyzed!

I feel paralyzed!  
I feel paralyzed!
