Drowning Pool, Recluse

Let it Recluse, I come back, flying low, we can hiighh.

let it ease, lose my mind, again this time forever.

And I will suffer..   let it recluse   should I run for cover the dealtness
of pleasure. let it reason, for it is the best.

Let it Recluse, I come back, flying low, we can hiighh.

let it ease, lose my mind, again this time forever Recluse.... I have tried...
but I can't do it.. it is reclused that my mind will suffer for it is lost.
should I run for cover? dealtness of pleasure. let it reason, for it is the
best.

Chorus(x2) you can make me suffer
