

# Drowning Pool, Reminded

Down too long like I was  
before and I've never thought  
I'd see the day can't be wrong  
'cause I know the score and  
I guess there is no other way

Chorus:  
Reminded of you (4)  
Reminded

There it is all in black and  
white and it looks like that's  
the way it goes Doesn't matter  
if it's wrong or right 'cause  
by now I'm sure that I know

chorus

Never felt so undecided(undecided)  
everything I've ever had has  
been taken away Little boy so  
scared and frightened(scared and frightened) All of  
the things that have happened  
I'm sureley to blame  
Blame!

Accept your fate then you'll  
be well but the truth is that  
it never ends You can say  
that you've been through hell  
But you'll always lose  
another friend Never felt so  
unimportant everything I've  
ever said has been taken in  
vain little girl so scared  
and frightened all of the  
things that I do are still  
subject to change
