Right now i think i need to dedicate this song, this next song coming up to every man & woman, boy or girl whoever& wherever you may be who has ever been in an relationship that just didnt quite work out.

Also this song is dedicated to everybody who comes up to me in all the clubs, supermarkets, airports, and everywhere else in the world asking me, "Woody when you gon do something," "When they gon let you sang."

Not knowing that man i sung all of "April Showers" a verse on "All Alone" a verse on "5 Steps" and about half the songs on the album but thats cool yall aint know.

Alright now i just want you to sit back, close your eyes, kick your feet up and listen to this song right here cuz this here is for yall.
