

# Dru Hill, Here With Me

Jazz of Dru Hill - Here with Me

[Nokio]

You know Loving you Means more than words can say  
but if I had to do it all over again  
You're the one thing I wouldn't change  
And that's for real

[Jazz]

Never before in my life  
Through every hello every, good-bye  
Have I ever fell so far so soon  
Girl it's you

A beauty you are in my eyes  
And every touch felt so right  
It's taking me deeper into you

[Bridge]

And I would give my time, my soul, my love, My everything  
And every night no one, no where, nothing that can compete  
Cause you mean the world to me

[chorus]

Take away my car  
Take away my clothes  
Take away my fame  
Take away my dough  
And I'll be OK without it  
If you're right here with me(right here with me)  
Take away my house  
Take away my jewels  
My material things  
Baby take that, too take that, too  
I won't shed a tear without it  
If you're right here with me  
So many things I never knew about myself  
So many things I never felt in no one else  
You have shown me and it's only with you, baby  
(Girl it's you)  
Cause I know true happiness(yeah)  
In you I've found(yeah)  
I never felt(never, never)  
And I've been around(I did it)  
If I had the world to give you  
You know that's what I would do  
yeah

[Bridge]

[Chorus]

Listen girl, you know oh.....  
Say I'll be OK if you're right here with me  
I'll give any and everything just to (make you see)  
Though I've been through it all, girl before you  
It's your love that makes me complete  
Do you belive me, baby

[Chorus]

Oh, yeah  
Your love is all I need
