

# Dru Hill, In My Bed (So So Def Mix)

JD:

So So Def

If you wanna dance

I will make you dance

If you wanna move

I will make you move

Dru Hill come on

SISQO:

I got this feeling

And I can't turn it loose

That somebody else is getting next to you

Can't walk around

Like I was your fool

Cause being who I am

I can't lose my cool

My friends keep telling me

About things going on

But deep in my heart baby

I hope that I'm wrong

DRU HILL:

Somebody's sleepin' in my bed

Messin' with my head

Takin' my place

(Somebody's sleepin' in my bed)

Sleepin' in my bed

Messin' with my head

Takin' my place

(Takin my place, Oh ho ho)

SISQO:

I come home early

Expecting your warm embrace

But something's wrong

Cause it's written on your face

(Written on your face)

Said it hurts so bad

When I walk through the door

But you know one thing

I ain't comin' back no more

Don't try to tell me

Things are still the same

Cause when we made love

I heard you call out his name

DRU HILL:

Somebody's sleepin' in my bed

Messin' with my head

Takin' my place

Sleepin' in my bed

Messin' with my head

Takin' my place

What do you want?

(What do you)

What do you need?

(What do you need)

Giving you everything plus my heart

I gave you the world

(Yes I did)

Cause you were my girl

(Oh yes I did)

But you still ran out on me

JD:  
Uh, fly shit, different colors whips  
I got plenty big hits  
All kinda dips  
Got too many

DA BRAT:  
My life ain't complete  
If I ain't got no buzz  
And can't nobody do it like we does  
It's a must brat bust any mic ya hand to me  
And represent for the rest of the family

JD:  
Well I'm known for makin' moves  
On my own big songs  
And now I keep it comin' strong  
Till the early morn c'mon

DA BRAT:  
Lemme interrupt  
Your regular schedule  
Twistin' off high levels of bubonic  
Chokin' amateurs till they vomit

JD:  
I make 'em sick cause I'm the williest

DA BRAT:  
Too much for you to deal with  
My ni\*\*as that ride quick  
Survive or die bitch

JD:  
Why switch this remix hurts everyday  
It's like this and I never stop puttin it in work  
I rock from L.A. to Dru Hill  
Something you can feel  
All I'm about is that dolla dolla bill  
What the deal?

DA BRAT:  
Funkier than parliment  
Stay bent behind tent  
Keep ni\*\*as payin' my rent  
My goldier scent lingers  
VVS describes best what's on the fingers

JD:  
We make believers out of dreamers

DRU HILL:  
Somebody's sleepin' in my bed  
(Sleepin' in my bed)  
Messin' with my head  
(Messin' with my head)  
Takin' my place  
Sleepin' in my bed  
Messin' with my head  
(Said I can't sleep baby)  
Takin' my place  
(I can't eat baby)
